

# **TORONTO** Seniors Services and Long-Term Care

## Community Development and Social Services

Seniors Services and Long-Term Care is responsible for service planning and strategic integration of City services for seniors. This includes community support programs such as adult day programs, supportive housing services, tenancy supports and homemakers and nurses' services for vulnerable individuals who reside in the community. And, directly operating 10 long-term care homes which provide 24-hour resident-focused care for permanent and short-stay admissions; care, services and programs enhance quality of life by responding to individual resident needs.
