

TORONTO Toronto Shelter & Support Services

Community and Emergency Services

The Toronto Shelter & Support Services Division contributes to healthy communities by ensuring that vulnerable people have a range of shelter and homelessness services. We provide temporary shelter and support for homeless individuals and families while supporting clients to achieve housing stability. Our relationship with clients' ranges from provision of direct services to homeless families and individuals needing emergency assistance funding about 350 different community agency partners to deliver emergency shelter and other services for people are at risk of or experiencing homelessness.
