

TORONTO People & Equity

City Manager's Office

The People & Equity Division is entrusted with the City's people services/human resources, equity and human rights functions. The Division develops, implements, and monitors corporate policies and partners with clients in the areas of equity, inclusion, human rights, occupational health and safety, including workplace wellness, employee assistance, and return-to-work programs.

The Division is also responsible for recruitment, job evaluation and pay equity; management of HR data and systems; organizational development, learning, and leadership development; and maintaining harmonious and collaborative employee relations.

The People & Equity division works with divisional partners to ensure that City services, programs and policies are responsive to the needs of Toronto's diverse communities and provides advice and services to promote respect for human rights across the organization. The division develops, leads and implements key corporate initiatives to foster equity, diversity and inclusion in the Toronto Public Service.
