

TORONTO Indigenous Affairs Office

Community Development and Social Services

The City's Indigenous Affairs Office (IAO) is focused on supporting City divisions in their work with First Nations, Inuit and Métis peoples and all urban Indigenous communities. The IAO strives to strengthen the City's relationships with Indigenous communities and support City staff in advancing reconciliation. While the City remains committed to embedding the responsibility for Indigenous priorities across divisions, the IAO provides more focused and coordinated leadership on Indigenous affairs.
