## Chief Financial Officer and Treasurer

The Chief Financial Officer & Treasurer manages corporate services in those divisions headed by the Controller, Financial Planning Executive Director and Executive Director Corporate Finance and is responsible for Corporate Finance, Financial Planning, Special Projects and Finance & Administration.

To provide corporate financial planning, management, reporting and control services to achieve fiscal sustainability of the City in order to deliver programs and services to the public. This mandate is delivered through:

- timely and objective corporate financial advice including strategies, reactive and proactive analysis, decision packages, processes for decision-making, and communications.
- operating and capital budget support for staff of departments, agencies, boards and commissions.
- independent reviews of costs, benefits, and services.
- monitoring and reporting on spending, performance, and compliance with corporate reporting requirements; representation to other governments, agencies and funding partners.

The division also provides administrative services to the Finance and Treasury Services Divisions in support of its day-to-day operations and the provision of quality financial and corporate services to other Divisions, Agencies, Council and the Public. This is achieved through effective financial and budget services and management consulting.
