Basement Flooding Protection Program Road Closure on St. Clair Avenue East and Westview Boulevard

Contract: 23ECS-LU-03FP
Expected Start Date: July 2, 2025
Expected End Date: July 7, 2025
**Content/dates subject to change.*

The City of Toronto is modifying and upgrading the storm and sanitary sewer system in your area to reduce surface and basement flooding. As part of the planned work, the City will be conducting storm sewer installation at the intersection of St. Clair Avenue East and Westview Boulevard, beginning on Wednesday, July 2, 2025, and continuing through Monday, July 7, 2025. Construction will occur during the hours from 7:00 a.m. to 11:00 p.m. during the weekday and Saturday, and 7:00 a.m. to 7:00 p.m. on Sunday.

While the road closure is in place, there will be no access to Westview Boulevard from St. Clair Avenue East. Traffic signs will be in place, indicating a necessary detour through Hodder Street via Joanith Drive. For added safety, a flagger will assist with pedestrian crossings, and a Paid Duty Officer will be on site during the work. We apologize in advance for the inconvenience.

MAP OF WORK AREA

NEED MORE INFORMATION?
