Gardiner Expressway Strategic Rehabilitation: Section 3 Early Works on Five Bridges  
| Community Update

Thank you for subscribing to the Gardiner Expressway Rehabilitation, Section 3 Early Works on Five Bridges, community update e-newsletter.

### **Gardiner Expressway Fall Maintenance Closure**

To complete essential maintenance and rehabilitation work, the Gardiner Expressway will be fully closed from Spadina Avenue to Highway 427 over two weekends beginning the night of October 25. In coordination with the Blue Jays World Series schedule, the maintenance closure is expected to occur over two weekends, to balance the need to support the Toronto Blue Jays and ensure safe movement in and around the downtown core.

### **Weekend closure details**

- The night of Saturday, October 25, following the end of Game 2 of the Toronto Blue Jays World Series, the Gardiner Expressway will be closed from Spadina Avenue to Highway 427 and will reopen by approximately 7 a.m. on Monday, October 27, in time for the morning rush hour.
- The second closure is tentatively scheduled for the night of Saturday, November 1, dependent on the Blue Jays' schedule. The Gardiner Expressway will be closed from Spadina Avenue to Highway 427, and will reopen by approximately 7 a.m. on Monday, November 3, in time for the morning rush hour.

### **Gardiner Expressway Section 3: Early Works on Five Bridges**

As part of the planned weekend closure of the Gardiner, the Gardiner Expressway Section 3: Early Works on Five Bridges team will be utilizing the time and space to advance the work. The closure will allow for faster completion of repairs to the underside of the Kipling and Islington bridges and faster completion to repairs on the Gardiner Expressway pavement.

Crews will also carry out essential maintenance to extend the life of the expressway. As part of the maintenance work, crews will work around the clock to resurface lanes, make final repairs to the infrastructure and improve safety features.

A traffic management plan will be in place to help minimize congestion and manage traffic on alternate routes. Drivers are encouraged to plan their routes in advance, allow for extra travel time and consider using public transit to avoid delays.

[Thank you for your patience!](#)

We appreciate your patience and understanding as we work towards a safer and more efficient Gardiner Expressway.
